

# Mission Impossible

ECIS: physical education Conference

VIENNA 2017

Move.learn.live

# Mission

- To solve ALL given 9 tasks within short time
- Work AS A TEAM
- Time limit: 30 minutes!

# Rules

- Every task can only be solved by teams of min.3 people!
- One team can only do one task at a time
- The fulfilled tasks have to be presentable (product you can show)

# Mission 1

- Find out in which countries the conference took place the last 5 years. List them!

# Mission 2

- Compose a short conference song and make sure the whole team can sing

# Mission 3

- List the 5 favourite sports of your team

# Mission 4

- Find out how many steps it takes to walk from Gym C to the canteen. Calculate how many METERS you make in one day for having breakfast, lunch and 2 coffee breaks.

# Mission 5

- Draw a creative (overview) map of the VIS

# Mission 6

- Find out how many languages you speak in your team and translate the words `move.learn.live` into 5 languages

# Mission 7

- Make 5 suggestions what one definitely should see or do visiting Vienna

# Mission 8

- Interview 3 people outside the school building about their personal recipe to stay fit and healthy

# Mission 9

- Take a group picture in front of Eiffel tower

# Mission 1-9

1. Find out in which countries the conference took place the last 5 years. List them!
2. Compose a short conference song and make sure the whole team can sing it.
3. List the 5 favourite sports of your team.
4. Find out how many steps it takes to walk from Gym C to the canteen. Calculate how many METERS you make in one day for having breakfast, lunch and 2 coffee breaks!
5. Draw a creative (overview) map of the VIS.
6. Find out how many languages you speak in your team and translate the words move.learn.live into 5 languages.
7. Make 5 suggestions what one definitely should see or do visiting Vienna.
8. Interview 3 people outside the school building about their personal recipe to stay fit and healthy.
9. Take a group picture in front of Eiffel tower.

Ladies and gentleman: time starts running!

GOOD LUCK

Make sure you are ready to present all  
accomplished tasks after the time is over!

# Initiative games

- Activities that challenge players to work together as a team, think critically, get active in what is going on and engage into conversation and cooperation.
